CANCELLATION POLICY

TERMS AND CONDITIONS

DAYCARE

A Daycare Application must be completed and signed by all owners of the dog and returned to The Dog Bark before attending daycare. We must receive paperwork from a licensed veterinarian verifying that your dog is current on all shots. All dogs must be on a leash when arriving and leaving the facility. Please do not bring rawhide chews, toys or bones for daycare dogs. Any meals or medications must be supplied by the dog owner. Please place them in a plastic bag or container with their name on the outside and be sure to give special instructions in writing attached to the container. Food and medications will need to be brought with you each daycare day and taken home each night. Only socialized dogs are allowed to participate in daycare. Any signs of aggression toward another dog or person will terminate their daycare privileges.

BOARDING

All boarding dogs must have a Daycare application form and immunization records on file with The Dog Bark. For returning boarding dogs, a veterinary exam is required every year. All dogs must be on a leash when arriving or leaving the facility. Please supply ample amounts of food for your dog's stay PLUS 3 days extra for good measure. For those dogs who are not supplied ample food for their stay, The Dog Bark will feed the dog our house blend at a cost of \$1.00/cup. NO rawhide chews, bones or similar items will be allowed in order to protect your dog from choking. You may bring an item of clothing (or other comfort item) with your scent for your dog's kennel. The Dog Bark will not be responsible for the destruction of any items brought with you for your dog.

PAYMENT

Boarding - Cancellations to any portion of a boarding reservation during non-peak times must be made no later than 48 hours in advance of arrival date. Cancellations made with less than a 48-hour notice will incur a charge equal to the amount of a two-night stay. If the reservation is only for one night, the charge will only be for one night. A **seven day notice** will apply for cancellations made for all reservations during **peak times and for all extended stays**. Any cancellation or alteration of a reservation must be made seven days in advance of the arrival date. When the seven day notice applies, any cancellation or alteration made with less than seven days notice will incur a charge equal to the amount of nights reserved or altered. Peak times include, but are not limited to, all reservations that include a holiday, holiday weekend (Friday through Sunday), the week of Thanksgiving, Christmas and New Years (Sunday through Sunday). All NSF checks will be assessed a \$40.00 handling fee. **By signing this cancellation policy, I agree to pay any and all charges that may result from improper cancellations of boarding reservations, as described above.**

Daycare Only - No reservations are necessary for daycare and therefore there are no cancellation fees or guidelines.

ADDITIONAL RULES

All dogs, whether boarding or daycare, will be checked for flea infestation. The Dog Bark reserves the right to turn away any dog with a flea infestation for a reserved stay. Dogs attending daycare and boarding are strongly encouraged to be on a monthly flea control program.

BOARDING CHARGES

Boarding - You may pick up and drop-off for boarding between the hours of 7:00am - 6:00pm on the weekdays and 8:00am - 3:30pm on the weekends. If you intend to pick up after these hours, please call. Please drop your dogs off for boarding **no later than** 6:00pm on a weekday or 3:30pm on a Saturday/Sunday; it takes a little time to prepare their evening meal and kennel. While there are no late charges associated with boarding, depending on time of pick-up and drop off, there may be **one** additional half day (\$16.00) or full day (\$26.00) daycare charge added at the end of the visit. If a dog is dropped off before 12pm and picked up after 12pm, a daycare charge may apply. If they are dropped off before 12pm and picked up before 12pm, no additional daycare charges will apply. If a dog is dropped off after 12pm, he/she may be picked up anytime the day of pickup with no additional charges.

Daycare Only – While there is a 15 minute grace period after our posted closing time to pick up your dog, if we are unable to reach you, your dog will be boarded for the night after this grace period and overnight charges will be assessed and must be paid before your dog is released to you. Your dog may be picked up the following day and standard boarding rates will apply, depending on time of pick-up and drop-off. Dogs not picked up seven days or more after their scheduled pick-up date will be considered abandoned and will be taken to a local animal shelter. Hours of operation are subject to change.

VETERINARY CARE

Any dog, whether in daycare or boarding, may need immediate attention by a veterinarian while at our facility. If any such occurrence arises with your dog, we will seek medical help from an Oregon State licensed Veterinarian of The Dog Bark's choosing and charge your account for the full costs incurred for the treatment of your dog. These charges must be paid in full at the time you pick up your dog. We will contact you in the event of a non life-threatening health incident and discuss options.

I/we have read all the terms and conditions of the cancellation policy and agree to all the terms and conditions set forth by The Dog Bark.

COMMON HEALTH RISKS ASSOCIATED WITH DOG DAYCARE AND BOARDING

I/we understand and accept that there are health risks associated with bringing my dog to daycare and/or boarding my dog at The Dog Bark. I understand that even though my dog is fully vaccinated, he/she can still contract illnesses such as Kennel Cough, Canine Influenza or Giardia when he/she spends time around a large group of dogs.

I/we understand that while The Dog Bark will do its best to keep me aware of any pervasive, infectious illnesses, my dog still may very well get sick while attending daycare or boarding because much like children, when dogs get together to play, they spread illness. I also understand that The Dog Bark is in no way responsible for my dog getting sick; it is a risk I am willing to accept.

I/we understand that my dog may get injured while attending daycare or boarding at The Dog Bark. I realize that the staff does their very best to manage the play groups and keep the dogs safe but injuries and dog bites can happen in a split second and are often unavoidable.

I/we assume full responsibility for my dog's health and understand the risks associated with bringing my dog to daycare or boarding at The Dog Bark.
